**1 MILLION WORKERS
EXPERIENCE BACK
INJURIES EVERY YEAR.**

There are a number of ways you can look after your employees and ensure they are comfortable and safe at work. Over 75% of UK workers are chair bound for more than 6 hours each day, so having the right chair is vital to their health and wellbeing.

Agility High Back Posture Chair

- Inflatable lumbar support
- Gas lift height adjustment
- Back and seat angle adjustment
- Tri-Curve backrest

KF73886 Blue
KF73885 Black

A THIRD OF WORKERS EXPERIENCE SORE WRISTS AND ARMS DUE TO INCORRECT KEYBOARD OR MOUSE POSITIONING. THIS CAN ALSO LEAD TO CARPAL TUNNEL SYNDROME.

The main cause of neck strain is the position your employees sit in when viewing their screen; provide them the flexibility they require with our range of laptop, monitor and tablet viewing accessories.

42 % OF EMPLOYEES
SUFFER FROM NECK ACHE,
WHILST 39% SUFFER FROM
EYE STRAIN.
