THURSDAY, MAY 2

EXHIBIT HALL HOURS: 10:00 AM – 2:00 PM

CONFERENCE HOURS: 8:40 AM – 2:40 PM

Why attend Southern California Facilities Expo?

Admission to the Exhibit Floor and Conferences is FREE –

You get informational and educational benefits similar to those of national shows, but without the attendance fees – and without incurring air fare and hotel expenses. The Anaheim Convention Center is a venue that is convenient and user-friendly for attendees.

Educational Conference Sessions –

Topics include lighting, case histories about Orange Coast College and the City of Huntington Beach, a tour of the Anaheim Convention Center, solar PV systems, OSHA regulations, leadership, intelligent control valves for HVAC, electric vehicle charging, water re-use, accessibility compliance, benchmarking in commissioning/retro-commissioning, trained falcons for pest bird control, flooring, sustainable cleaning, and more.

Meet with Exhibitors –

Our show floor will have exhibits in a wide variety of categories including energy management, HVAC, predictive maintenance, electrical systems, water conservation, lighting, software, safety and many more – staffed by experts who can answer your technical questions. From the floor to the roof – our exhibitors have you covered.

Managing Green Buildings –

The Managing Green Buildings portion of Facilities Expo will help you be up to speed on products and services that can help save energy and water; meet energy and environmental regulations; apply toward LEED, Living Building Challenge or ENERGY STAR certification; qualify your facility for utility rebates, and more. Along with the designated Managing Green Buildings section of the show floor, at least half of the educational seminars in the conference focus on energy-efficiency and sustainability.
