Dear General Manager

**ACHIEVING A BALANCE: ALLOCATION OF STAFF GRADE POSTS FROM THE CENTRAL
RESERVE: 1989/90**

Summary

This letter notifies authorities of the second allocation of staff grade posts from the central reserve.

1. In my letter of 31 August 1989 (EL(89)MB149) I notified you of the distribution of the first 16 posts from the central reserve and asked you to submit bids for the second round.

2. Annex A shows the allocation of the 16 posts for the period ending October 1989. Bids for the final period should be submitted to Miss S. L. Greber, in room 437 at the address at the head of this letter, by ~~Wednesday 1990~~ ~~January 1990~~. As far as possible posts from the central reserve will be distributed in the same proportions as the main annual allocation. Unsuccessful bids will be carried forward to the next period for allocation.

Then pass to Glands to go through circular system please C.

3. May I remind authorities, including special health authorities, that if they wish to establish staff grade posts over and above the number allocated to them at the start of each financial year they must first submit a bid against the central reserve.

4. This letter will cease to apply after 31 March 1991.

Yours sincerely
