WELCOME

Culture Days is a national movement to raise the awareness, accessibility and engagement of Canadians in the arts and cultural life of their communities. It's an opportunity to discover something new – to try a musical instrument, sing along with a big choir, attend an artist talk, join a musical jam session, or get your hands dirty at any number of creative workshops.

Check out the 50+ events listed here and make a plan to get out and have some fun. There's something for the 'artist in everyone' at a Culture Days Community Activity Hub near you.
