31 May 1989

Dear Sir or Madam

PRICE OF PETROL - PARAGRAPH 6(d) OF ANNEX A TO SECTION 24, GWC HANDBOOK

1. Pending the outcome of current negotiations on the uprating of mileage allowances, the Management Side of the Motor Car Allowances Sub Committee of the General Whitley Council has asked that the Service should be advised of the revised price of petrol to be used in the calculation contained in paragraph 6(d) of Appendix A to Section 24 of the GWC Handbook.

2. Authorities are accordingly advised that the price of petrol as notified by the Institute of Petroleum has been/is as follows:-

(i) 1 February 1988 (last mileage allowance change):	£1.70
(ii) 14 March 1989:	£1.75
(iii) 18 April 1989:	£1.84
(iv) 3 May 1989:	£1.91

The petrol price changes between February 1988 and March 1989 were not of a magnitude necessary to warrant any revision.

3. This letter may be cancelled on 1 March 1990

Yours faithfully

N B J GURNEY
