

7TH ANNUAL

ENTREPRENEURSHIP SUMMIT

SEPTEMBER 21-22, 2018

Five reasons to attend the W&L Entrepreneurship Summit:

1. **Build and maintain relationships within the W&L entrepreneurial community.** The networking opportunities are endless!
2. **Connect with students.** Mentor and learn from the entrepreneurs of the future. Get involved with the J. Lawrence Connolly Center for Entrepreneurship.
3. **Get inspired!** With so many sessions to choose from, there are countless ways to get inspired to take your ideas to the next level and set you on the path to success.
4. **See what's new on campus.** Whether you are a recent graduate or haven't been back to Lexington in decades, there are many new and restored areas of campus to explore such as the Ruscio Center for Global Learning and Tucker Hall on the historic Colonnade. Enjoy the Friday evening reception, which will take place in the new outdoor pavilion adjacent to the natatorium and third-year housing complex. Saturday's reception will take place in the Hopkins House, the home of the Connolly Center in downtown Lexington.
5. **Fuel your business.** There will be seasoned entrepreneurs, venture capitalists, and angel investors right there looking to help you gain insight and funding to help grow your business!

Now, those are just five reasons. We left the others for you to discover for yourself! Register now for the Washington and Lee University Entrepreneurship Summit, September 21-22.
