Your Mouse Scout Name

Violet, Tigerlily, and the other Mouse Scouts are all named for things found in nature.

If you were a Mouse Scout, what would your name be?

Why?

Find or draw a picture of the item and put it in the frame below!

Mouse Scout Tools

The Mouse Scouts do a great job using everyday objects in new ways. For instance, they use forks and spoons as rakes and shovels. What human items could the Mouse Scouts use for the following things:

Bathtub	Bucket
Table	Lamp
Swing	Trampoline
Bed	Clock
Tent	Slide
Dishes	Silverware
Hammock	Picture Frame

Use your ideas to make a Mouse Scout sized room, house clubhouse or school. Find a shoe box or other container. Fill the space with things that a Mouse Scout would want or need. Postage stamps can decorate the walls. Make a miniature checker board with paper and beads. Be creative!

Mouse Scout Songs

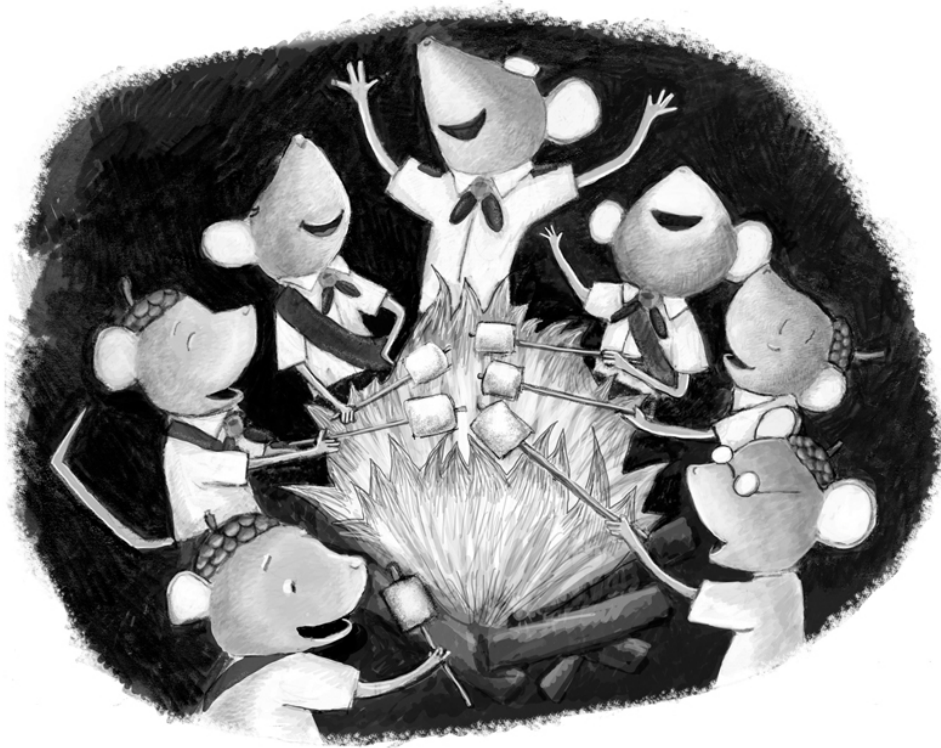

The Mouse Scouts love to sing-- Sing the Acorn Scout song along with them!

Now write your own Mouse Scout Song. Choose a well known Scout song, camp song or other favorite. Rewrite the words to be something the Mouse Scouts would sing.

THE ACORN SCOUT SONG

Melody by Frank Figuera

We are A - corns, ti - ny and small, but
we'll grow up to be migh - ty and tall. We're
quick with a plan, and we help when we can. We
love our friends and are kind to all.

Mouse Scout Characters

Each of the Mouse Scouts has their own distinct personality. How would you describe each Mouse Scout?

If you were one of the Mouse Scouts, which one would you be? Why?

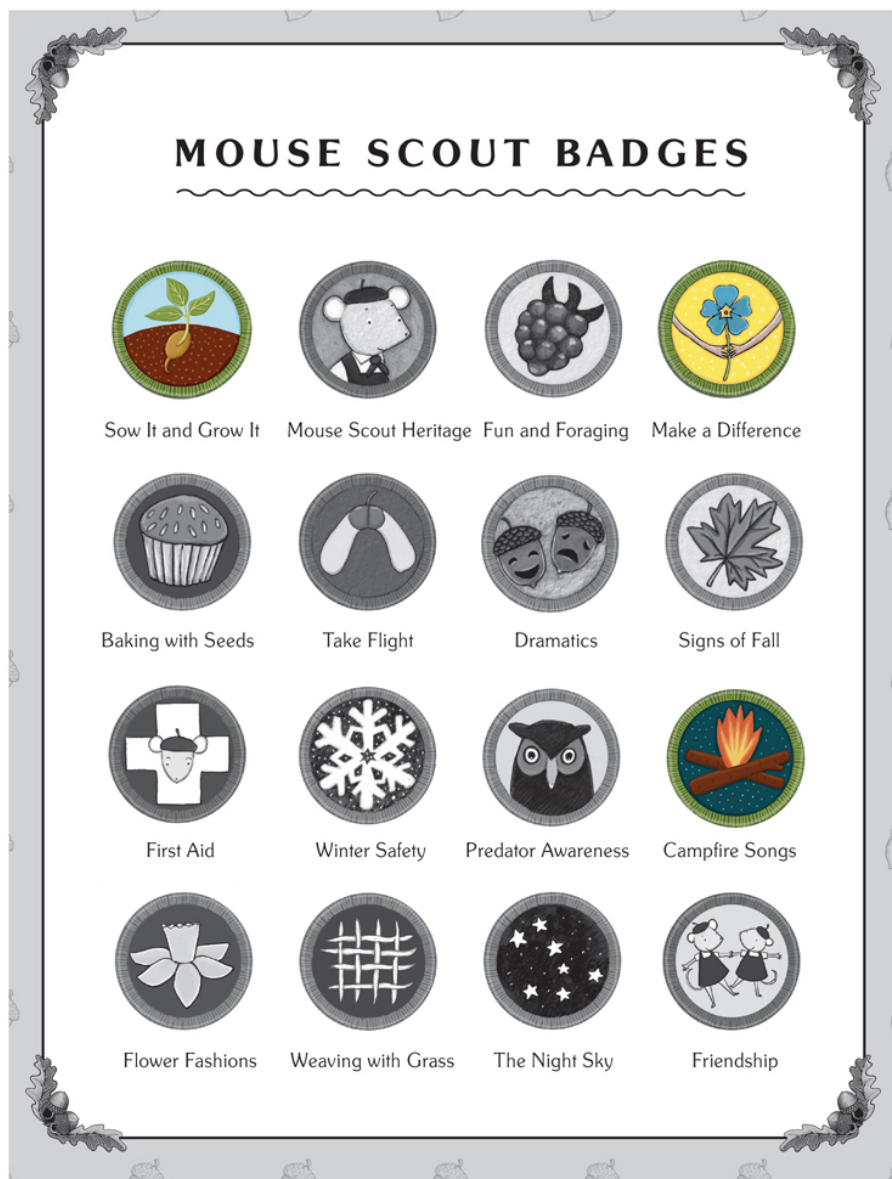

Try creating a new Mouse Scout. What would her name be? What would she be like?

Mouse Scout Badges

Below is a collection of Mouse Scout Badges. The black and white ones don't have requirements yet. What do you think the Mouse Scouts should do to earn these badges? Pick a few badges and write at least five requirements for earning the badge.

Design Your Own Badge

Every Mouse Scout book focuses on a badge. So far, we have seen the Sow it and Grow it Badge, the Make a Difference Badge and the Camp Out Badge.

If you were to make up your own Mouse Scout badge, what would it be? Using the blank badges below, design a badge and think of a name for your badge and five things that you need to do to earn it!
