

Gaming Grants Paid to Community Organizations - Public Safety - 2015/16 Year-to-Date Report (by community) - April 1, 2015 to January 13, 2016

Generated: January 13, 2016

Report Period: April 1, 2015 to January 13, 2016 (Government fiscal year 2015/16)

Description and Notes:

Community organizations may be eligible for government community gaming grants to support their programs and services. Payments for approved grants are made throughout each government fiscal year, and the timing of the payments depends on the grant category / sector. Interim reports are reasonable representations of all grants paid up to a certain point in each year, but payment corrections and other factors make them less accurate than the final, year-end report.

- Some grant payments to organizations may not appear in this report if there were payment errors and corrective adjustments are being made. These payments will appear in later interim reports or the final fiscal year-end report.
- Unused grant funds that were returned during the fiscal year are not shown in interim reports, but will be shown in the final fiscal year-end report.
- Some organizations may receive grants in more than one category; therefore the number of unique organizations receiving grant payments is usually less than the number of grants paid.
