Welcome

Dear Affiliates and Coaches,

Warmest greetings !

And Invitation to Shanghai China for our Conference !

Would you please kindly read through this PowerPoint slides to know the details ?

And also would you respond to our **Call for Talk / Workshop / Panel Discussion / Case Sharing** ?

That you will generously deliver a speech on the Conference will leave Chinese audience a strong impression of WIAL global presence.

The WIAL Board members have taken a lead in speaking. Each of them will share something:

Would you join them?

For the two day Conference, we will charge **RMB3499=USD515** as standard price, or

RMB2999=USD441 as early bird price if you confirm before **August 30**.

However if you would deliver a speech, you will not only have free access to the Conference, but also get a free Conference ticket for your colleague.

So please speak !

Conference Theme

Transformation through Action Learning

- China enterprises, no matter multinationals, state-owned or private, are facing unprecedented challenges for survival and growth.
- Chinese organizations realize that their business leaders as individuals need to transform, their leadership teams need to transform, and their organization need to transform.
- Action learning are seriously considered as a tool to facilitate these transformations.
