

New York Sea Grant

Seafood Eat Food

Local Fresh Safe

Seafood Science & Aquaculture Teacher Workshop

When: Monday, August 7th 2017
1:00 PM to 5:00 PM

Please Join NY Sea Grant to learn more about our new Seafood Science and Aquaculture curriculum.

NY Sea Grant has developed several activities, lessons and resources for teachers to incorporate seafood science and aquaculture into their classrooms. During the workshop teachers will be introduced to the topics, experience the new activities and leave with the resources and materials needed to include in them in their own classroom.

Where:

**Sportfish Education and
Aquaculture Center**
Cedar Beach Marina (Bay
side), Westbound Ocean
Parkway, Babylon, NY
