**TOGETHER we can
CHANGE THE WORLD**

HEALTHCARE

**Namwianga Zonal Health Centre
Zambia Medical Mission**

Together we calm the fears of expectant mothers, ease the suffering of those with broken teeth, burns and disease, and bring hope to those who have never had access to long term medical care.

ORPHAN CARE

**The Haven
Eric's House**

Together we can rescue hundreds of new-born infants and reveal Jesus to the families and villages to which they will eventually return.

EDUCATION

**George Benson Christian College of Education
Namwianga Christian Secondary School
Namwianga Managed Schools**

Together we can draw young people out of poverty and into productive careers as self-supporting Christian leaders.

CHRISTIAN RADIO

Together we can bring education, encouragement and God's Word directly to those who don't speak English, who can't read and don't have access to Bibles.

**YOU CAN BE A PART OF HELPING US
CHANGE THE WORLD**
