GRANT PROPOSAL INFORMATION

This section is intended to provide an opportunity to briefly overview why you believe it's important your proposal be funded. Please share what makes your request unique in alignment with the mission and vision of the Dow Corning Foundation. Application instructions are listed in the left column; your responses can be typed on the right side of the page. Grants are reviewed quarterly in March, June, September and December. Contact the appropriate community foundation, as noted below, if you have questions. Completed grant requests along with pertinent supporting materials and 501(c)(3) documentation should be forwarded to the appropriate community foundation (See below). *Please note we do not fund operational costs.*
Grants requests may be up to \$8,000 for local/community requests and up to \$24,000 for regional requests.

Please select the Donor Advised Fund you are making your request through:

****Grant requests must be submitted through the appropriate community foundation.
