

# END OF YEAR INSPIRATION GUIDE

**WRITING INSTRUMENTS,  
AWARDS & EXECUTIVE GIFTS**

# Our inspiration guide takes the stress out of year-end gift giving.

Select from our curated collection of writing instruments, awards and executive gifts and show your staff, colleagues and clients how much you appreciate them.

Every (brandable) product in this catalogue comes standard with branding, making it easier than ever to place your logo or message in the spotlight.

The type of branding included varies from product to product and in many cases we offer you a choice of several inclusive options to choose from. These options are contained in a table that appears with the information provided for each product and you are able to choose one of these options.

<b>INCLUSIVE BRANDING*</b>	In this example, you are able to choose between laser engraving or one colour pad printing, in one position.
LASER ENGRAVING PAD PRINTING (1 COL)	

There are several products or sets comprising multiple components – to sweeten our offering even further, we have included the price of branding on many of those components.

The information is conveyed in the same way as above, except we now state the inclusive branding options for each component.

	<b>INCLUSIVE BRANDING*</b>	In this example, you may want to laser engrave your pen case, keyholder and card holder or you could choose to print the components instead and either of these choices will be included in the price of the set. Printing the gift box will cost extra as it is not indicated as an inclusive branding option, denoted by "N/A".

KEYHOLDER	LASER ENGRAVING PAD PRINTING (1 COL)	
CARD HOLDER	LASER ENGRAVING PAD PRINTING (1 COL)

**Inclusive of branding Terms & Conditions**

- Setup charges and dye charges (where applicable) apply • Inclusive branding is limited to 1 position and in the case of pad and screen printing, to 1 colour (denoted by "COL" in the table)
- Where a 2 colour print, for example, is required, the price of the first colour will not be included in the price of the product and both colours will be charged for.

# BEAUTIFULLY CRAFTED GIFTS BY SOUTH AFRICAN DESIGNER ANDY CARTWRIGHT

The signature Andy Cartwright brand perfectly marries form and functionality to create a quintessentially African collection of homeware and corporate gifts that meets the highest international standards and expectations.

Established in Durban in 2001, the Andy Cartwright brand has grown its footprint both nationally and internationally.

Designer Andy Cartwright, who gives his name to the brand, produces beautiful items of the highest quality.

Designed and made in South Africa by South Africans, these not only capture the rich earthiness of Africa but are testament to the evolution of the continent, providing opportunities to upskill and assist local artisans and communities.

Andy Cartwright has brought together design and food to create one of Africa's most unforgettable travel gifts.

This premium dark chocolate, perfectly molded into the shape of Africa and then delicately wrapped in gold, uses some of the world's best cocoa beans that are grown in Africa.

This is edible art that transcends culture but captures form. While the eyes see darkness and the fingers touch mud, the mouth will taste Africa.
